I don't have access to this page so cannot replace the letter. I checked in Carl's office, with Pam, Jo checked the sig log and there is folder in any of those places. I looked for LaDonna and Chris and they are away from their desks.

Chris and Deborah,

Please take the folder from Carl's office (you may ask Jo to help you if you can't locate that letter) and replace that letter with the revised version and get it ready for his signature.

Ben,

Changes seem fine to me.

Please let us know what Carl would like to do.
